

Tobacco Cessation Centre (TCC)

The Tobacco Cessation Centre (TCC), functioning under the Department of Psychiatry, DLNPGMC Ratlam, provides comprehensive services for the prevention and treatment of tobacco dependence. Established under the National Tobacco Control Programme (NTCP) of the Ministry of Health and Family Welfare, Government of India, the centre offers screening, counseling, behavioral interventions, pharmacotherapy, and regular follow-up for individuals seeking to quit tobacco use. Through patient education, awareness activities, and evidence-based treatment, the TCC aims to reduce the health burden associated with tobacco consumption, promote tobacco-free lifestyles, and contribute to the national goal of a healthier and tobacco-free society.
