Date: **03/08/2019**

Time: **03.00pm to 04.00 pm**

Venue: Lecture Hall, Government Medical College, Ratlam

Organized by: Department of **Pharmacology**, Government Medical College, Ratlam.

This CME was a part of **ICMR-STC project 2019** Titled “Changes in Knowledge, Attitude and Practice of ADR reporting after educational intervention in health care personnel of district Hospital Ratlam” It is being conducted by young researcher **Ms Sana Siddiqui**, 1st year MBBS Student under guidance of **Dr Neeraj Kumar Agrawal**, Associate Professor, Department of Pharmacology, GMC Ratlam. The chief guest was **Dr Sanjay Dixit, Dean, GMC Ratlam** who inaugurated the CME at sharp 03.00 pm.

This was the first academic activity conducted by department of Pharmacology. This CME was attended by more than 80 participants included Professor, Associate Professor, Assistant Professor, Demonstrator, Senior Resident & Junior Resident of different departments. The speaker of today’s session was **Dr. Neeraj Kumar Agrawal, Associate Professor, Department of Pharmacology, GMC Ratlam**. The presentation covered all the relevant topics regarding ADR Reporting and monitoring. The presentation consisted of diagrams and flow charts depicting various points and making concepts easy to understand about the Pharmacovigilance. The CME also included the hands on practice of “How to fill the ADR Reporting form”. The real case scenario of ADR related patients was presented by **Dr Sudhanshu Sharma, Associate professor & Head, Department of Dermatology**. The seminar was followed by a round of question answers and group discussion with a healthy participation from the attendees. The CME was concluded with completion and submission of projects documents by Dr. Neeraj Kumar Agrawal and a vote of thanks.
