Core Functions and Responsibilities of Enabling Unit for Persons with Benchmark Disabilities (PwBD) :

1. The Enabling Unit shall function as the single point of contact for students with benchmark disabilities.
2. It must facilitate access to reasonable accommodation, academic and clinical support measures, and barrier-free access within the institution.

*Dr. L.N.P. Gov. Medical College
Ratlam (M.P.)*
10/09/2026

3. The unit must receive and address requests relating to disability-specific accommodations during the course of study, including clinical training and internship.
4. Information regarding the availability, role, and contact details of the Enabling Unit must be disseminated to all students at the time of admission and through the institution's website and notice boards
5. The unit must coordinate with the designated Disability Assessment Board, faculty, hospital administration, and other competent authorities to ensure timely implementation of reasonable accommodation in accordance with the RPWD Act. 2016 and the guidelines issued by the National Medical Commission.
6. It is required to maintain records of requests received and accommodations provided, while ensuring confidentiality and non-discrimination
7. To ensure that the Enabling Unit is functional, adequately publicized, and readily accessible to students with benchmark disabilities so as to promote an inclusive educational environment.
